

HOW TO CONNECT YOUR TOOL TO THE FC MOBILE APP

The instructions below will explain how to connect your tool (376FC, T3000FC, A3001FC, etc.) to the FC Mobile app:

On the tool

- Turn on the power
- Press the Fluke Connect Symbol
- Verify the Fluke Connect Symbol appears in the tool display

On the mobile phone

- In mobile phone Settings > verify Bluetooth is turned on
- Log into the Fluke Connect Mobile app
- Click "Capture Measurements"
- Click Tool Name, i.e. "376FC" or "T3000FC"
- Readings from the tool will be visible in the FC Mobile app
- Click Save to save the readings from the tool to your FC mobile app

Fluke Connect™ Bluetooth® Connection to FC Tools
